

# THE CITY MOBILE CENTER

## CONCEPT

Pm 2:00 to go to the banks, 3:00  
to go to the airport to customers but  
but.....car is dirty!  
There is a good place to help me?

City people are busy every day, through The City Mobil Center, commercial personage and driver can be more convenient to handle official business in the city, washed the car by the roadside of Taiwan to offer more fashionable waiting in the space along the concept that is stretched out. Combine the service of washing the car and parking temporarily, relatively lower the discharging excessively of the flow and CO2 of city car.
