

Must Play

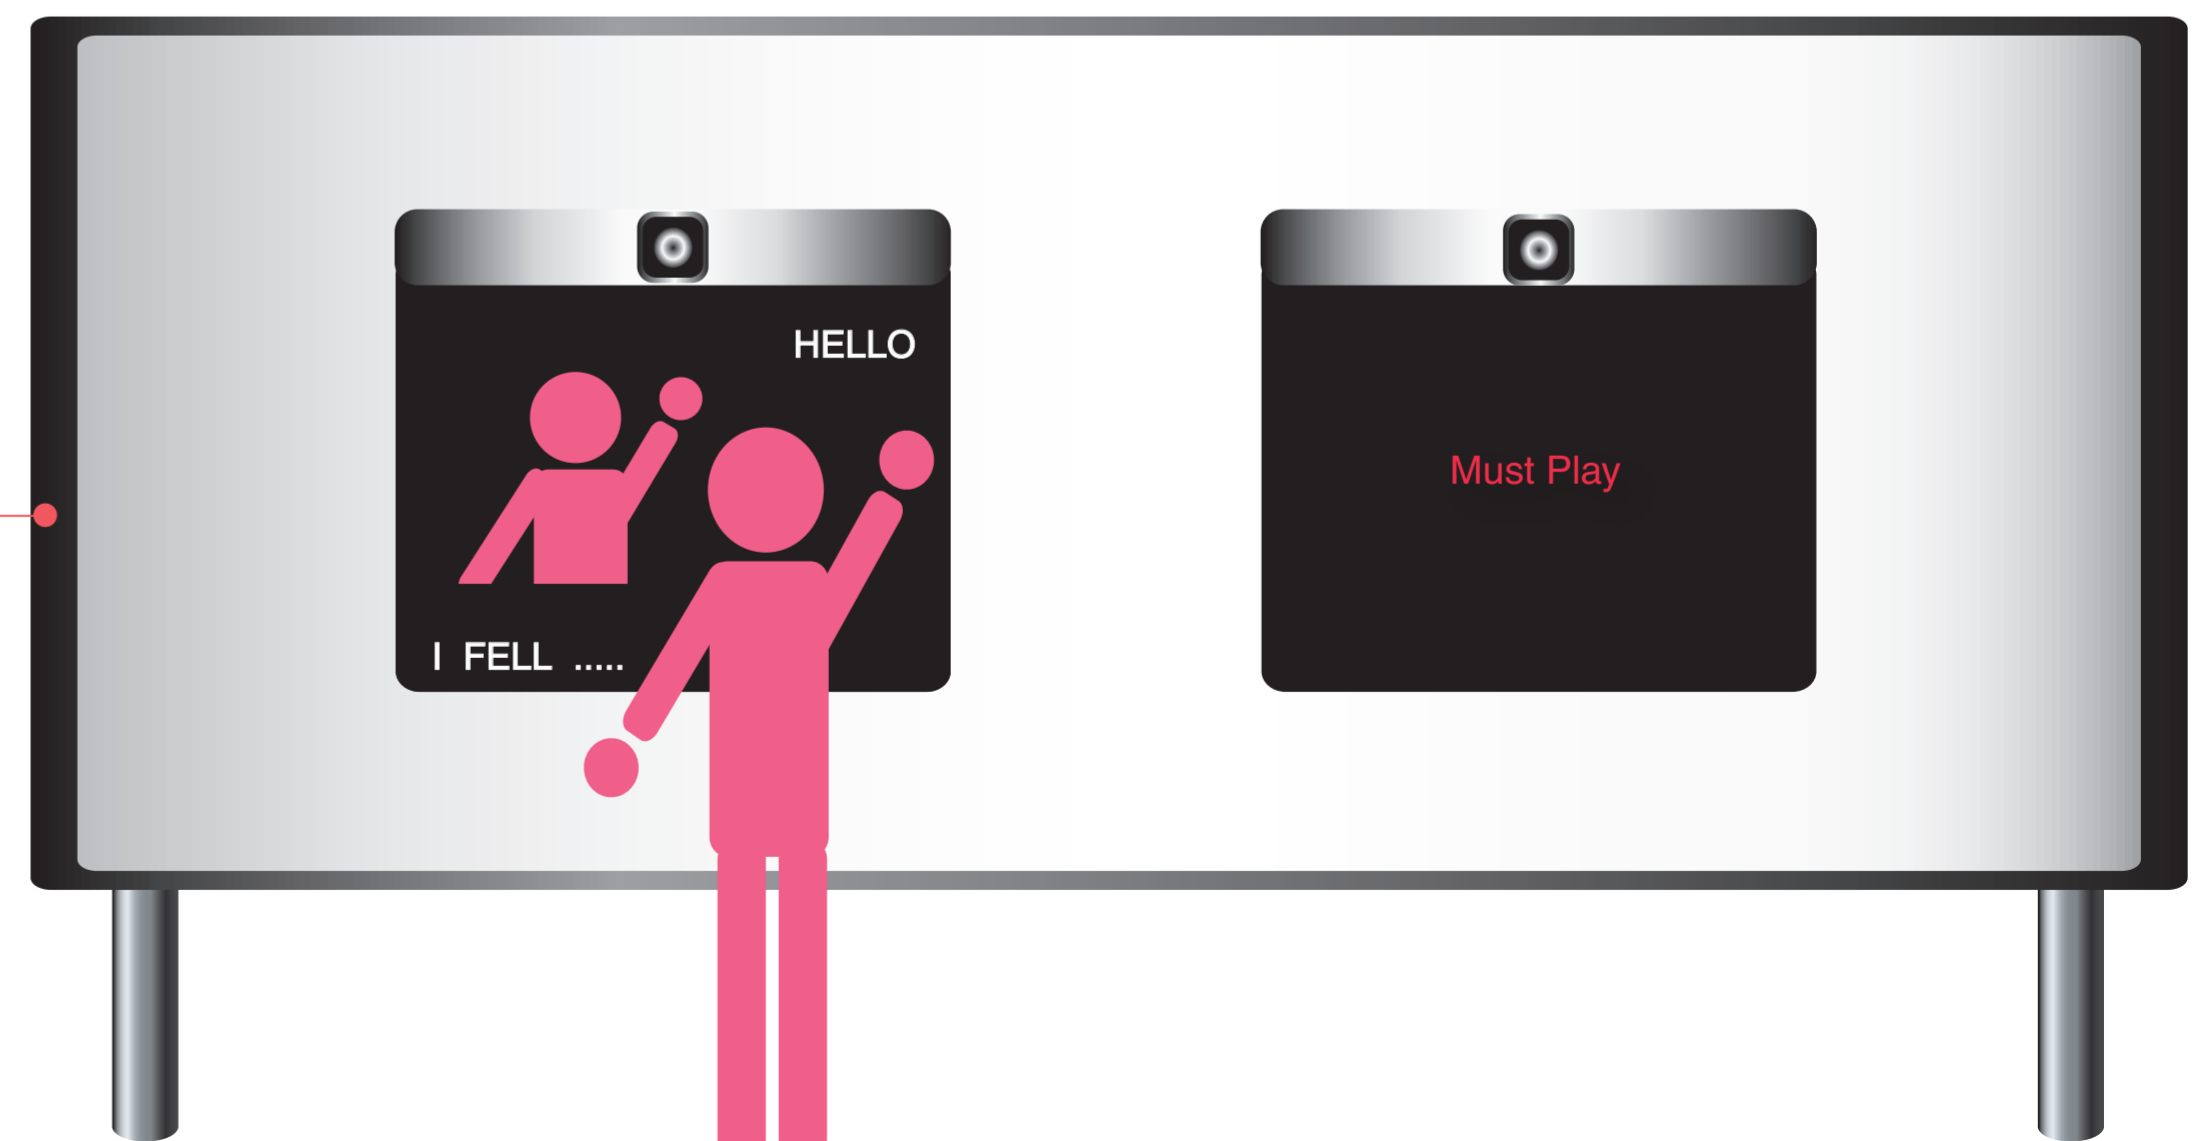

Bus Map Device

Is that boring to wait for a bus ?

Now! Try the device **Must Play!**

Touch the screen and choose where you want to go.

Make a short film to other people.

Waiting for a bus can be so interesting!

Taiwanese are enthusiasm, but too shy to talk to others when in the bus station,
Now the device makes it possible to make new friends while waiting for a bus.

The main purpose of this device is to provide the chance to connect people.

You can make a short film and upload it so others can see this video and then leave messages to you.

Besides, it can display the bus route map and the characters of each place.
