## CONCEPT

Recently Taiwan electronic amusing cars became a special culture, the performance is not just sing.

Some sponsors hire striptease troupes to attract more people, the ceremony procession culminates in a strip show or pole dance.

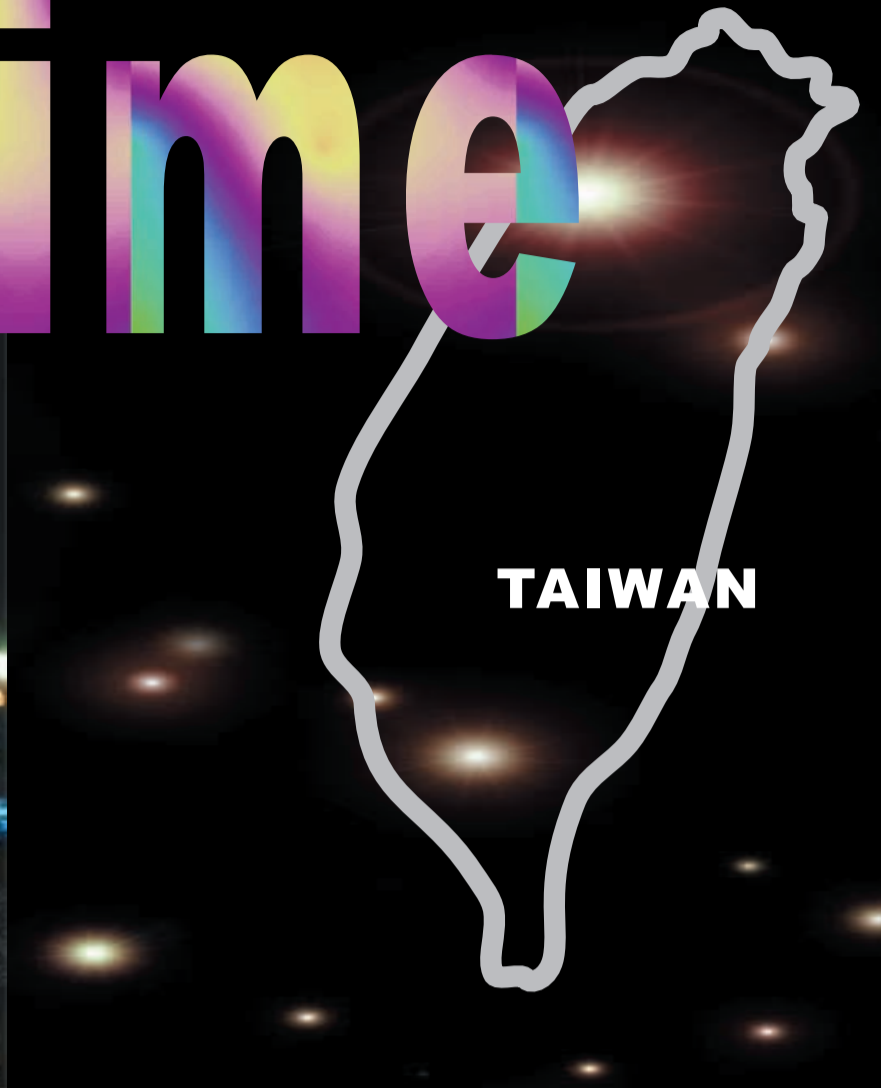

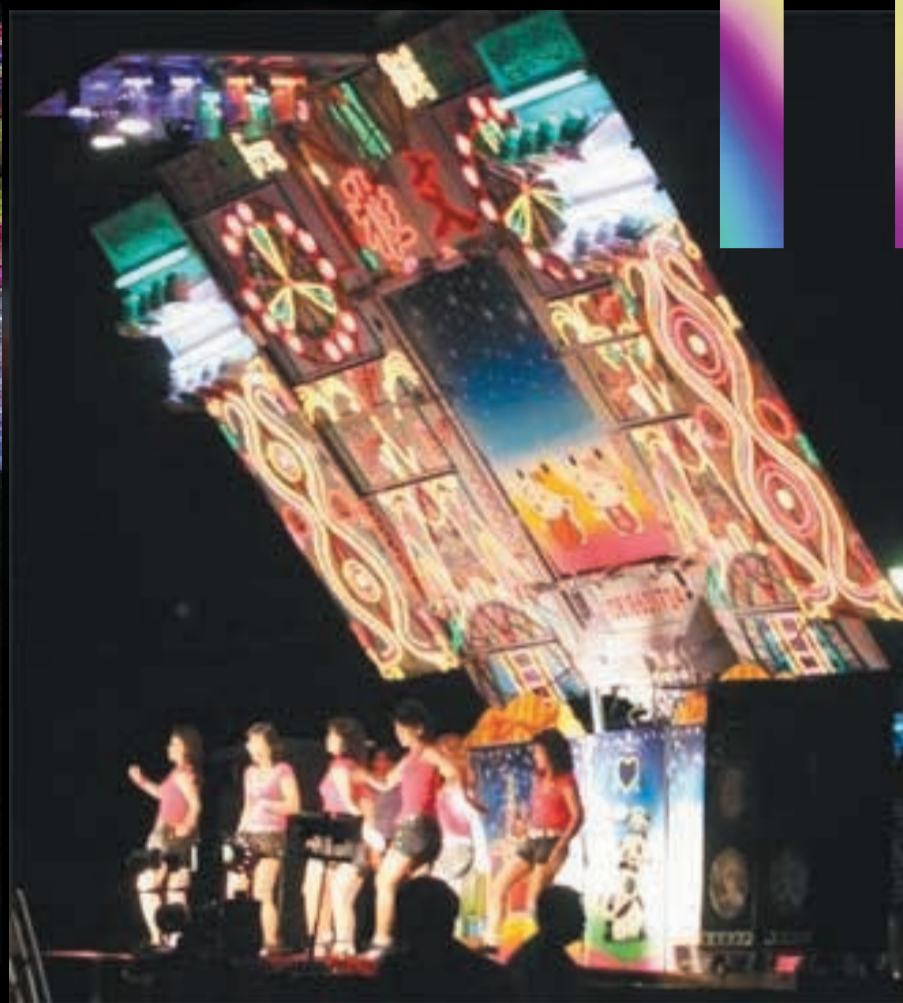

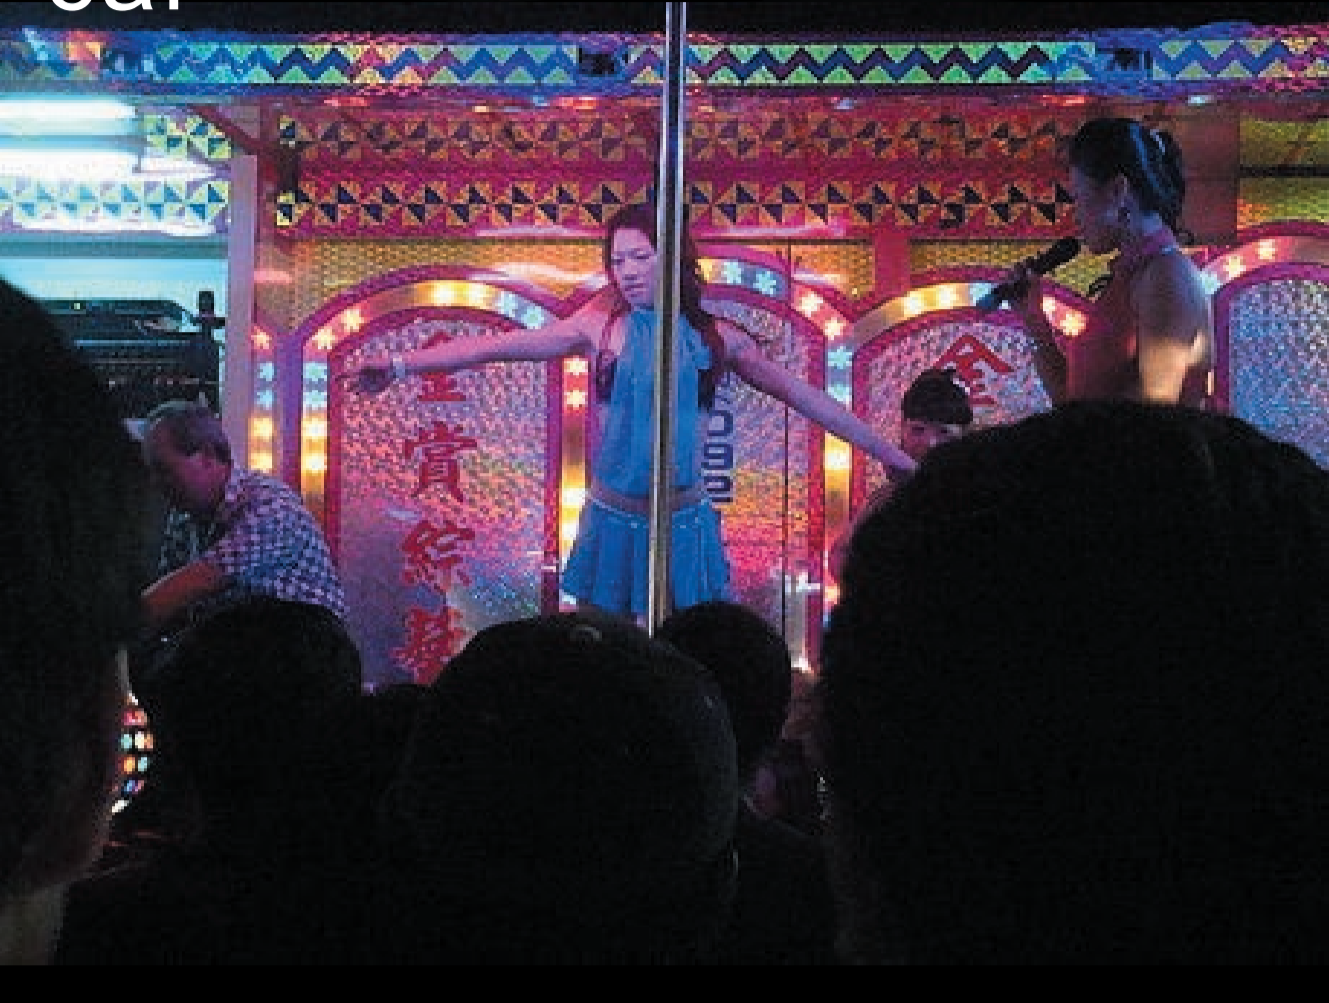

The car is mobility,  
the stage is mobility,  
the viewer is mobility, too.

We don't know what is the next program,  
how to avoid our minor children see the adult show?

# Show Time

As the progress of society,  
the amusing car players serve not only dancing and singing, but also striptease.  
The performance has developed a unique **Taiwan culture**.

There's no stage for the player,  
so the audience will track the players wherever they perform.  
We'll never know what next they'll play.

The warning signal can help us to choose,  
avoid children to see the improper program.

Just one action  
you can avoid unmorality !
